Part 1

Letter from the Chairman

To the shareholders of Braemar Shipping Services plc
Braemar Shipping Services plc
35 Cosway Street
London NW1 5BT

18 May 2012

Dear Shareholder,

I am pleased to be writing to you with details of the annual general meeting of Braemar Shipping Services plc (the "**Company**") to be held at 12 noon on 20 June 2012 at the Empire Room, The Landmark Hotel, 222 Marylebone Road London NW1 6JQ (the "**AGM**"). The formal notice of AGM is set out in part 2 of this document ("**AGM Notice**").

If you would like to vote on the resolutions but cannot come to the AGM, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM by using one of the methods set out in the notes to the AGM Notice.

The purpose of this letter is to explain certain elements of the business to be considered at the meeting. More detailed explanatory notes for resolutions 8, 9 and 10 are set out in part 3 of this document.

Resolution 1 – To receive the annual report and accounts

The annual report and accounts of the Company for the financial year ended 29 February 2012 will be presented to the meeting. The annual report and accounts are included with this document.

Resolution 2 – Remuneration report

It is a requirement of all listed companies to put their directors' remuneration report to an advisory shareholder vote. As the vote is advisory it does not affect the actual remuneration paid to any individual director. The directors' remuneration report is set out in full in the annual report of the Company.

Resolution 3 – Final dividend

A final dividend of 17 pence per ordinary share for the financial year ended 29 February 2012 is recommended by the directors for payment by the Company. If shareholders of the Company approve the recommended final dividend, this will be paid on 25 July 2012 to all ordinary shareholders who were on the register of members of the Company at the close of business on 22 June 2012.

Resolutions 4 and 5 – Re-appointment of directors

Resolution 4 deals with the re-appointment of Sir Graham Hearne as a director of the Company. Resolution 5 deals with the re-appointment of James Kidwell as a director of the Company. Biographies of each of these persons can be found on page 16 of the Annual Report. The Board has confirmed that, following a performance review, all directors standing for re-appointment continue to perform effectively and demonstrate commitment to their role.

Resolutions 6 and 7 – Re-appointment of auditors

Resolution 6 relates to the re-appointment of KPMG Audit Plc as the Company's auditors to hold office until the next annual general meeting of the Company. Resolution 7 authorises the directors to set the remuneration of that company. The directors have delegated the responsibility of setting the auditors' remuneration to the audit committee of the Board.

Resolution 8 – Allotment of share capital

The Board considers it appropriate that the Company should have the maximum authority to allot ordinary shares. Accordingly a resolution renews the grant of authority to the Board to allot ordinary shares in the capital of the Company up to a maximum nominal amount of £720,460 which (excluding ordinary shares to be issued under options granted under any share option plan of the Company) represents approximately one third of the Company's issued ordinary share capital as at 17 May 2012 (the latest practicable date prior to publication of this letter). It is proposed that such authority expire at the conclusion of next year's annual general meeting.

In addition the Association of British Insurers has said that it will now consider as routine a resolution to authorise the allotment of a further one-third of share capital for use in connection with a rights issue. Your Board considers it appropriate to seek this additional allotment authority at this year's AGM in order to take advantage of the flexibility it offers. It is proposed that such authority expire at the conclusion of next year's annual general meeting.

The directors have no present intention of exercising either authority.

Resolution 9 – Disapplication of statutory pre-emption rights

Resolution 9 will empower the directors to allot ordinary shares in the capital of the Company for cash on a non pre-emptive basis: (a) in connection with a rights issue; and (b) (otherwise than in connection with a rights issue) up to a maximum nominal value of £108,069, representing approximately five per cent. of the issued ordinary share capital of the Company as at 17 May 2012 (the latest practicable date prior to publication of this letter). It is proposed that such authority expire at the conclusion of next year's annual general meeting.

Resolution 10 – Authority to purchase own shares

Resolution 10 gives the Company authority to buy back its own ordinary shares in the market as permitted by the Companies Act 2006. The authority limits the number of shares that could be purchased to a maximum of 2,161,379 (representing approximately 10 per cent. of the Company's issued ordinary share capital as at 17 May 2012 (the latest practicable date prior to publication of this letter) and sets minimum and maximum prices. This authority will expire at the conclusion of next year's annual general meeting.

The directors have no present intention of exercising the authority to purchase the Company's ordinary shares but will keep the matter under review, taking into account the financial resources of the Company, the Company's share price and future funding opportunities. The authority will be exercised only if the directors believe that to do so would result in an increase in earnings per share and would be in the interests of shareholders generally. Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange.

Listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. No dividends are paid on shares whilst held in treasury and no voting rights attach to treasury shares. The Company is only permitted to hold a maximum of up to 10 per cent of its issued share capital in treasury.

Resolution 11 – Notice of General Meetings

It is proposed in Resolution 11 that shareholders should approve the continued ability of the Company to hold general meetings, other than the annual general meeting, on 14 clear days' notice.

This resolution is required under section 307A of the Companies Act 2006. Under that section, a traded company which wishes to be able to call general meetings (other than an annual general meeting) on 14 clear days' notice must obtain shareholders' approval. Resolution 11 seeks such approval.

The resolution is valid up to the next annual general meeting and so will need to be renewed annually. The Company will also need to meet the requirements for voting by electronic means under section 307A of the Companies Act 2006 before it can call a general meeting on 14 days' notice.

Recommendation

The Board considers the resolutions will promote the success of the Company and are in the best interests of the Company and its shareholders as a whole. The directors of the Company unanimously recommend that you vote in favour of the resolutions as they intend to do in respect of their own beneficial holdings which amount in aggregate to 3,186,803 shares representing approximately 14 per cent. of the existing issued ordinary share capital of the Company.

Yours sincerely,

Sir Graham Hearne

Chairman
Braemar Shipping Services plc

Part 3

Explanatory notes to resolutions 8, 9 and 10

Resolution 8 – Authority to allot shares

Under the Companies Act 2006, the directors of a company may only allot shares if authorised to do so by the shareholders in general meeting. Resolution 8(a) renews and extends the directors' existing authority by authorising the directors to allot shares up to an aggregate nominal amount of £720,460 before the conclusion of next year's annual general meeting. This represents approximately 7,204,595 ordinary shares of 10 pence each and is equivalent to approximately one third of the Company's current issued ordinary share capital excluding ordinary shares issued under options granted under any share option plan of the Company.

As mentioned in the Chairman's letter, the Association of British Insurers has issued guidance stating that it will consider as routine a resolution to authorise the directors to allot a further one-third of issued share capital for use in connection with a rights issue. Resolution 8(b) will give directors authority to allot shares up to a further aggregate nominal amount of £720,460 before the conclusion of next year's annual general meeting. This represents approximately 7,204,595 ordinary shares of 10 pence each and is equivalent to approximately one third of the Company's current issued ordinary share capital excluding ordinary shares issued under options granted under any share option plan of the Company.

Except in relation to the issue of ordinary shares arising from the exercise of options under the Company's employee share option schemes, the directors have no present intention of issuing any of the authorised but unissued ordinary shares of the Company.

Resolution 9 – Limited authority to allot shares for cash

The directors may only allot shares for cash to persons who are not already shareholders in the Company if authorised to do so by the shareholders in general meeting.

This resolution renews the power for the directors to allot shares for cash without first offering them to existing members up to an aggregate nominal amount of £108,069. This sum represents 1,080,689 ordinary shares of 10 pence each, being equivalent to approximately five per cent. of the current issued share capital. The directors will use such authority in the circumstances where it is in the best interest of the Company to issue small amounts of shares for cash other than to existing shareholders.

The resolution also enables the directors to modify the strict requirements for a rights issue in circumstances where they consider it necessary or expedient.

The authority will expire at the conclusion of next year's annual general meeting.

Resolution 10 – Purchase of the Company's own shares

This resolution renews and extends authority from shareholders for the Company to purchase up to 2,161,379 ordinary shares, an aggregate nominal amount of £216,137, which is equivalent to approximately 10 per cent. of the Company's issued ordinary share capital. The authority will expire at the end of next year's annual general meeting and the resolution specifies the maximum and minimum prices at which the shares may be bought. Other investment opportunities, appropriate gearing levels and the overall financial position of the Company will be taken into account before deciding upon this course of action. Any shares purchased in this way will be held by the Company in treasury and may then be sold for cash, transferred to an employee share scheme or cancelled. The directors have no immediate intention of exercising the proposed authority when it becomes effective, but believe that the ability of the Company to buy its own shares when, in the opinion of the directors, market prices do not reflect the Company's worth, will be in the best interests of the Company and its shareholders. The directors intend to exercise this power only when they believe the effect of such purchases will increase earnings per ordinary share.
